

Feed the Future Food Systems for Nutrition Innovation Lab Annual Partners Meeting 2023 Program Schedule

July 27, 2023, Thursday

Time	
8:00 – 8:15 am	Registration – outside Behrakis Auditorium Breakfast & Coffee available
8:15 - 8:30 am	<p>Welcome Remarks</p> <p>Christina D. Economos (virtual) Dean and Professor, New Balance Chair in Childhood Nutrition Friedman School of Nutrition Science and Policy</p> <p>Meghan Anson Agreement Officer Representative (AOR) for Food Systems for Nutrition Innovation Lab, USAID</p> <p>Introductions</p>
8:30 – 9:00 am	<p>Shaping Future of Food Systems for Nutrition - Review of FSN-IL's FY2022-23</p> <p>Patrick Webb Director, Food Systems for Nutrition Innovation Lab</p> <p>Shibani Ghosh Associate Director, Food Systems for Nutrition Innovation Lab</p>
9:00 – 10:45 am	<p>Session I: Scaling actions that link smallholder production systems and value chains</p> <p>Chair and Moderator: Gerald Shively, Purdue University Discussants: Shalander Kumar, ICRISAT, Eric Bost, Texas A&M University and Erin Coughlan de Perez, Tufts University</p> <ol style="list-style-type: none"> 1. What is the future of scaling actions that link smallholder production systems and value chain with an emphasis on the production and reducing loss? 2. What are the priority research needs? 3. How do you make scaling happen (policy, financing, investments, communication, advocacy, dissemination)? <p>Open discussion</p> <ol style="list-style-type: none"> 1. What are consortium partners doing that can be integrated into FSN-IL's focus country and global R4D strategy? 2. What other initiatives exist in this space? What are they doing? 3. How can FSNIL disseminate and/or communicate across diverse audiences?

10:45 – 11:00 am	Break
11:00 – 12:30 pm	<p>Session 2: Scaling actions for post-farmgate processing, packaging, and storage of perishable nutrient dense foods</p> <p>Chair and Moderator: Bea Rogers, Tufts University Discussants: Alan de Brauw, IFPRI, Rafael Flor, Gates Foundation and Douglas Taren, University of Colorado</p> <ol style="list-style-type: none"> 1. What is the future of scaling actions in post-farmgate processing, packaging, and storage? 2. What are the priority research needs? 3. How do you make scaling happen (policy, financing, investments, communication, advocacy, dissemination)? <p>Open discussion</p> <ol style="list-style-type: none"> 1. What are consortium partners that can be integrated into FSN-IL's focus country and global R4D strategy? 2. What other initiatives exist in this space? What are they doing? 3. How can FSNIL disseminate and/or communicate across diverse audiences?
12:30 – 1:30 pm	Lunch – Jaharis Bldg, Room 118 (across from Behrakis Auditorium)
1:30 – 3:00 pm	<p>Session 3: Scaling actions around marketing and distribution of perishable nutrient dense foods</p> <p>Chair and Moderator: Sara El-Sayed, Arizona State Univ, Swette Center Discussants: Ina Schonberg, NCBA/CLUSA, Will Masters, Tufts University, Tom Van Mourik, Helen Keller International (HKI)</p> <ol style="list-style-type: none"> 1. What is the future of scaling actions within marketing and distribution? 2. What are the priority research needs? 3. How do you make scaling happen (policy, financing, investments, communication, advocacy, dissemination)? <p>Open discussion</p> <ol style="list-style-type: none"> 1. What are consortium partners doing that can be integrated into FSN-IL's focus country and global R4D strategy? 2. What other initiatives exist in this space? What are they doing? 3. How can FSNIL disseminate and/or communicate across diverse audiences?
3:00-3:15 pm	Break

<p>3:15 – 4:45 pm</p>	<p>Session 4: Scaling actions around consumer choices, demand, and retail promotion</p> <p>Chair and Moderator: Katie Stebbins, Tufts University Discussants: Jody Harris, World Veg Center, Shibani Ghosh, Tufts University, Charlotte Pedersen, GAIN</p> <ol style="list-style-type: none"> 1. What is the future of scaling actions around consumer choices, consumer demand and retail with an emphasis of promoting and increasing access to affordable healthy diets? 2. What are the priority research needs? 3. How do you make scaling happen (policy, financing, investments, communication, advocacy, dissemination)? <p>Open discussion</p> <ol style="list-style-type: none"> 1. What are consortium partners doing that can be integrated into FSN-IL's focus country and global R4D strategy? 2. What other initiatives exist in this space? What are they doing? 3. How can FSNIL disseminate and/or communicate across diverse audiences?
<p>4:45-5:45 pm</p>	<p>Session 5: MSI Working Group Meeting</p> <p>Chair and Moderator: Lynne Ausman, Tufts University Discussants: Quintin Gray, 1890 Universities Foundation, Desmond Mortley, Tuskegee University</p> <ol style="list-style-type: none"> 1. Update on MSI and 1890's Foundation engagement 2. Formulation of the MSI student working group to increase visibility and engagement of MSI students into global food systems activities <p>Open Discussion</p>
<p>6:00-7:30 pm</p>	<p>Reception – Doubletree Hotel First Floor Outdoor Courtyard 821 Washington Street</p>

July 28, 2023, Friday

Time	
8:00 – 9:00 am	Expert Advisory Board Meeting (Room – Jaharis 272) Closed Session, Full Breakfast available
8:45 – 9:15 am	Breakfast & Coffee Available
9:15 - 10:30 am	<p>Session 6: Food System for Nutrition Metrics</p> <p>Chair and Moderator: Kassandra Harding, California State University, San Bernardino</p> <p>Discussants: Andrew Thorne-Lyman, Johns Hopkins University, Eileen Kennedy, Tufts University, Felicia Wu Michigan State University</p> <ol style="list-style-type: none"> 1. What is the status of metrics and data within the context of food systems for nutrition 2. What are the priority research needs? 3. What actions are needed to support better metrics and data (policy, financing, investments, communication, advocacy, dissemination)? <p>Open discussion</p> <ol style="list-style-type: none"> 1. What are consortium partners doing that can be integrated into FSN-IL's focus country and global R4D strategy? 2. What other initiatives exist in this space? What are they doing? 3. How can FSNIL disseminate and/or communicate across diverse audiences?
10:30 – 10:45 am	Break
10:45 – 11:30 am	<p>Session 7: Shaping Future of Food Systems for Nutrition – HICD</p> <p>Chair and Moderator: Rolf Klemm, HKI</p> <p>Discussants: Isatou Jallow, EAB member, Founder AfriCAN, Quintin Gray, 1890s Foundation, Desmond Mortley, Tuskegee University, Robin Shrestha, Tufts University,</p> <ol style="list-style-type: none"> 1. What are the HICD needs of MSI institutions? 2. What are the HICD needs of institutions across focus countries? 3. What are others doing within the HICD space? What are the needs? 4. What are consortium partners doing that can be integrated into FSN-IL's focus country and global HICD strategy? 5. What are the actions needed to support HICD (policy, financing others?)
11:30 – 12:45 pm	<p>How to better engage across the food systems communities (Innovation Labs, CGIAR, donors, UN agencies, other research initiatives)?</p> <p>Facilitated Discussion by Shibani Ghosh, Tufts University</p> <ol style="list-style-type: none"> 1. Should there be a community of practice on Food System? 2. How do we bring the different entities that are working in this space together? And/or how do we better coordinate?

12:45 – 1:00 pm	Closing Remarks Ahmed Kablan, USAID Patrick Webb, FSN-IL
1:00 pm	Lunch – Jaharis Building Courtyard & Café (around the corner from Behrakis Auditorium)
